

Homeowner / Installer Agreement

The person that sets and levels the home is responsible for completing and sending the 14-day notice to the County Auditor.

The homeowner may obtain their own permit to install a manufactured home only if they meet all of the following conditions:

- | | |
|---|---|
| <input type="checkbox"/> Home is located on the property that the person owns | <input type="checkbox"/> Home is for their own occupancy |
| <input type="checkbox"/> Home is not located in a manufactured home park | <input type="checkbox"/> Homeowner understands they will not be eligible for dispute resolution |

The homeowner, who obtains a permit to install a manufactured home, must be responsible for all the work. However, they may contract out portions of the work to a licensed installer who is an active licensee in Ohio, and all contracted work must be identified and agreed upon in writing (see below). The installer will be responsible for their portion of the installation that is identified by checking the list below and signed by the owner and the installer(s):
